Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$1,500 person/\$3,000 family. Doesn't apply to preventative care. For non-participating providers \$3,000 person/ \$6,000 family.	You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. For your policy, the deductible starts over January 1st. See the chart starting on page 2 for how much you pay for covered services after you meet the deductible.
Are there services covered before you meet your deductible ?	Yes.	Some covered services may be paid prior to meeting the deductible . See the chart starting on page 2 for how this plan pays different kinds of providers .
Are there other deductibles for specific services?	There are no specific deductibles.	
What is the out-of-pocket limit for this plan?	For participating providers \$3,000 person/ \$6,000 family For non-participating providers \$6,000 person/\$12,000family	The out-of-pocket limit , sometimes referred to as the Maximum Out Of Pocket (MOOP) is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the out-of-pocket limit ?	Premiums, difference between billed and allowed amounts, health care this plan doesn't cover, and ineligible expenses.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.HSAHealthPlan.com or call 1-844-234-4472 for a list of participating providers.	If you use an in-network doctor or other health care provider , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network provider for some services. See the chart starting on page 2 for how this plan pays different kinds of providers .
Do you need a referral to see a specialist ?	No. You don't need a referral to see a specialist.	You can see the specialist you choose without permission from this plan.
